- 747 1916 "P" and "S", 1917 "P" and "S". Uncirculated. 4 pieces.  
 748 1916 "D" **UNCIRCULATED**. A sharp choice specimen of a very rare coin seldom offered for sale. All of this coins original mint lustre is still showing and it has never been cleaned. A popular rarity in great demand.  
 749 1917 "D" Uncirculated. Very scarce and seldom obtainable.  
 750 1918 Uncirculated. Scarce  
 751 1918 "D" Uncirculated. Seldom offered for sale.  
 752 1918 "S" Uncirculated. Scarce  
 753 1919 Uncirculated.  
 754 1919 "D" Uncirculated. Very scarce and climbing in value.  
 755 1919 "S" Uncirculated. Very scarce.  
 756 1920 Uncirculated. Low catalogue value but seldom offered.  
 757 1920 "D" Uncirculated. Scarce.  
 758 1920 "S" Uncirculated. Very scarce.  
 759 1921 **UNCIRCULATED**. This is a rare coin that certainly warrants being in the class with the 1916 "D". Seldom obtainable in a really choice condition such as this coin is.  
 760 1921 "D" Uncirculated. While not as rare as the preceding lot this coin is still seldom offered for sale.  
 761 1923, 1924 Uncirculated. 2 pieces.  
 762 1923 "S" **UNCIRCULATED**. Very scarce.  
 763 1924 "D" Uncirculated. Scarce.  
 764 1924 "S" Uncirculated. Rare, seldom obtainable.  
 765 1925, 1926 Uncirculated. 2 pieces.  
 766 1925 "D" Uncirculated. Scarce.  
 767 1925 "S" Uncirculated. Very scarce and seldom offered for sale.  
 768 1926 "S" Uncirculated. **RARE**, look for this coin to be in the class with the 1921 in the very near future. Seldom obtainable as choice as this specimen is.  
 769 1926 "D" Uncirculated. Very scarce.  
 770 1927, 1928 Uncirculated. 2 pieces.

- 771 1927 **"D" UNCIRCULATED.** Very rare and probably the coin in the greatest demand in this entire series, bar none. This coin has been constantly rising in value. It was not so very long ago that this coin catalogued for \$15.00 and brought \$50.00. Today, it catalogues for \$75.00 and recent records at auction indicate that it has realized \$125.00. In our opinion this coin is rarer than the 1916 "D" which has not shown as marked an increase in value as this coin.
- 772 1927 **"S" UNCIRCULATED.** While not quite as rare as the preceding lot this is never the less a very scarce coin. It is a coin that will enhance in value as years go on.
- 773 1928 "D" Uncirculated. Very scarce and seldom offered for sale.
- 774 1928 "S" Uncirculated. Another very scarce coin.
- 775 1929 "P", "D", and "S". Uncirculated. The last scarce. 3 pieces.
- 776 1930 "P" and "S" Uncirculated. The "S" is very scarce. 2 pieces.
- 777 1931 "P", "D", and "S". Uncirculated. A scarce group. 3 pieces.
- 778 1934 "P", "D"; 1935 "P", "S", and "D" Uncirculated. 5 pieces.
- 779 Balance of Dimes. 1936 to 1945 Mercury; complete set of the Roosevelt type 1946 to 1952 all dates and mints. Lacking the 1942 over '41. All uncirculated and mounted in standard pages. Sold as a set.
- 780 1942 **OVER '41. UNCIRCULATED.** Rare and seldom obtainable in this choice condition. Recent auction record in excess of \$50.00. **A FUTURE RARITY.**

### *Complete Set* *Washington Head Quarters*

## UNITED STATES LIBERTY STANDING HALF DOLLARS

### *Complete set—Individually offered*

- 810 1916 Uncirculated. Scarce.
- 811 1916 **"D"** Uncirculated. Scarce.
- 812 1916 **"S"** Uncirculated. Rare. Seldom obtainable.
- 813 1917 Uncirculated. Getting scarce.
- 814 1917 **"D" ON OBVERSE**. A choice specimen of a rare coin. Uncirculated.
- 815 1917 **"D" ON REVERSE**. Uncirculated. Rare, and constantly in demand.
- 816 1917 **"S" ON OBVERSE**. Uncirculated. Very Rare. This date and mint as well as the 1919 **"S"** are the two rarest dates in the entire series and are equally rare. We doubt whether there are more than one dozen of each in a true uncirculated condition. This specimen was acquired last August from the Lathrop collection. It is worth far in excess of catalogue.
- 817 1917 **"S" ON REVERSE**. Uncirculated. While not quite as rare as the preceding lot this coin is still rare and seldom obtainable in this condition. Another coin that is worth more than catalogue, in fact this entire series does not reflect its true value in the various catalogues.
- 818 1918 **UNCIRCULATED**. Another rare coin with a great future. This is a gem coin virtually free from the usual minting defects.

- 819 1918 "S" **UNCIRCULATED**. Rare and seldom offered for sale. This coin is also in its original mint state.
- 820 1918 "D" **UNCIRCULATED**. Rare and worth considerably more than the catalogue reflects. This coin is also practically perfect.
- 821 1919 **UNCIRCULATED**. The opportunity to purchase as splendid a specimen of this rare coin as this is may never present itself again. A perfect mint gem.
- 822 1919 "S" **UNCIRCULATED**. A gem. Many collectors and dealers consider this to be the rarest coin in the entire set. We considered the McPherson specimen offered last month to be the finest known specimen until we had the pleasure of examining this virtually perfect gem. This coin excels the McPherson specimen. We doubt if there could be a finer coin in existence. Beyond duplication, for both quality and rarity. Brilliant and choice. Very Rare. Do not let the fact that we offered a specimen last month and again this month make you think that this coin is not as rare as assumed. It was just plain "luck" on our part to be in a position to offer a specimen of this great rarity in this series two months in a row.
- 823 1919 "D" **UNCIRCULATED**. Also a gem and perfect companion piece to the preceding. While not quite as rare as the previous lot this coin is still very much under-rated in the various catalogues. Rare and in demand.
- 824 1920 **UNCIRCULATED**. Choice but shows evidence of being polished. Still rare and desirable. Seldom offered for sale.
- 825 1920 "S" **UNCIRCULATED**. Rare, choice and desirable. This is another one of the very elusive coins that many collectors are on the "look" for. Worth in excess of catalogue.
- 826 1921 **UNCIRCULATED**. Perfect frosty mint specimen. Far superior to many of the specimens we have examined. Choice and very rare. This coin is worth double catalogue value.
- 827 1921 **UNCIRCULATED** but certainly not as choice as the preceding. This was the original coin in the collection of Mr. Ross until an opportunity presented itself for Mr. Ross to improve the coin. Mr. Ross strived to make this set of coins as perfect as possible as can be evidenced in the various descriptions. Weakly struck and has been cleaned. Much below average when compared to the other coins in this series.
- 828 1921 "D" **UNCIRCULATED**. Choice mint specimen. Not as rare as the Philadelphia mint coins but certainly rare and seldom offered. Another coin that is worth more than catalogue.
- 829 1921 "S" **UNCIRCULATED**. Brilliant choice mint specimen. This is a coin that will be rated one of the top four within the next year. Getting very rare and seldom obtainable. The specimen sold last month realized nearly double catalogue.

- 830 **1923 "S" UNCIRCULATED.** Perfect frosty mint specimen. This is a rare coin that belongs in the class with the 1921. Look for a new record price at the offering of this coin.
- 831 **1927 "S" UNCIRCULATED.** Choice mint specimen. Very much under-rated. Only a few years ago this coin catalogued for less than ten dollars and today it catalogues for \$20.00, and is worth in excess of that figure. Look for this coin to enter the big figure class in the near future.
- 832 **1928 "S" Uncirculated.** Rare. Another coin that has only in recent years becomes very difficult to obtain.
- 833 **1929 "D" Uncirculated.** Very Scarce. Worth more than the catalogue value.
- 834 **1929 "S" Uncirculated.** Very Scarce. This date and mint is becoming increasingly difficult to purchase in a choice condition.
- 835 **1933 "S" Uncirculated.** Rare. This is a very much under-rated coin that is worth double the catalogue value.
- 836 **1934, 1934 "D" Uncirculated.** Scarce pair. 2 pieces.
- 837 **1934 "S" Uncirculated.** Several years ago this coin was considered common and catalogued for several dollars. Today, it is virtually impossible to purchase one from any dealer, and its catalogue value of \$20.00 certainly is not excessive.
- 838 **1935, 1935 "D".** Uncirculated. The last very scarce. 2 pieces.
- 839 **1935 "S" Uncirculated.** The "sleeper" of the series. Watch this catalogue value go up in future years.
- 840 **1936 "P", "D", and "S" Uncirculated.** Very scarce group. 3 pieces.
- 841 **1937 "P", "D", and "S" Uncirculated.** Very scarce group. 3 pieces.
- 842 **1938, 1938 "D".** Uncirculated. The last is rare and seldom obtainable. 2 pieces.
- 843 **1939 "P", "D", and "S".** Uncirculated. Scarce group. 3 pieces.
